ORDER

As per the Government Order read as 1st paper above Government accorded sanction to direct purchase of mobile app startup projects from among the list cleared by the Kerala State Startup Mission up to a cost of Rs.5 lakhs and subject to a condition that one purchasing officer cannot purchase more than two application in one year from one entrepreneur. Guidelines for implementing the scheme was issued as per as per Government order read as 2nd and 3rd paper above. As per Government order read as 4th paper above the limit of direct purchase from Startups was enhanced from 5 lakh to 20 lakhs exclusive of Goods and Service Tax. As per Government order read as 5th paper above permission is granted to select Startups registered under Kerala Startup Mission through limited tender for design, development and implementation of their IT projects costing above Rs. 20 lakh and below Rs. 100 lakh.

It is found that there are certain products from Startups which can be commonly used by all Departments of Government and Other Institutions. Instead of individual Departments procure the same product, a common

ownership by Kerala State IT Mission by procuring the product is more economical. The KSITM shall engage the startup to customize the products for Departments. In the circumstances Government are pleased to constitute a committee with the following members to identify such products, fix the rates and ensure product procurement by KSITM.
