Order

In order to monitor the progress of the various projects that are currently ongoing in Kerala State IT Mission, it is decided to implement the use of PROMISE (Project Management Information System Enterprise), a project management tool, developed by IIITMK.

Accordingly, all Project Managers and DPMs are directed to ensure that the details of their ongoing project / tasks along with the timelines are entered into the system with immediate effect and periodically updated.

All employees are requested to log in to the system and update the status of their assigned tasks which will be monitored on a regular basis.

Head e governance and Head Technology shall ensure compliance of the above.
